^{*} Orthodontic lengths of treatment are normally 24 months; however, some may extend or conclude sooner, the copayment shall be paid each time the patient is required to receive service for the orthodontic treatment which is usually once a month. Initial deposit is applicable to cover cost of materials. Additional charges may apply in case of patient negligence with installed braces. Metal brackets included. Cosmetic brackets not covered.

Exclusions & Limitations

- a. Services which, in the opinion of the attending dentist are not necessary for the patient's dental health. In all cases where the patient selects a plan of treatment that is considered unnecessary by the attending dentist, any additional cost is the responsibility of the patient;
- b. Implants;
- c. Aesthetics services for appearance only, or to correct congenital conditions;
- d. Myofunctional therapy procedures for training, treating or developing muscles in and around the jaw or mouth;
- e. Treatment for malignancies or neoplasms (tumors);
- f. Dispensing of drugs not normally supplied in dental office;
- g. Any dental procedure or service rendered while patient is hospitalized;
- h. Prosthodontics replacement will be made of an existing appliance (dentures, etc.) only if it is unsatisfactory. Prosthodontic appliances will be replaced only after five years have elapsed from the time of delivery. Lost or stolen appliances are the responsibility of the member;
- i. Service compensable under Worker's Compensation or Employer's Liability Laws may be subject to reimbursement;
- j. Services provided or paid by any governmental agency or under any governmental program or law, except as to charges which the person is legally obligated to pay. The exception extends to any benefits provided under the U.S. Social Security Act and its Amendments;
- k. Charges for services provided for temporomandibular joint (TMJ) dysfunctions;
- 1. Charges for services prior to the date the person became covered and was eligible for benefits under this plan, or for charges "incurred" following termination of coverage;
- m. Non-emergency services rendered by any nonparticipating dentist;
- n. Procedures, appliances, or restoration that are necessary to alter occlusion, or a full mouth rehabilitation.
